EXECUTIVE OFFICER

Dear Supervisors:

**APPROVAL TO DONATE SURPLUS COUNTY PROPERTY
(ALL DISTRICTS) (4 VOTES)**

SUBJECT

This Board letter serves to request approval to donate surplus Los Angeles County (County) safety equipment from the Los Angeles County Sheriff's Department (Department) to the California Department of Justice (CAL-DOJ), for issuance to local, state and federal Mexican police agencies (Mexican Agencies).

IT IS RECOMMENDED THAT YOUR BOARD:

1. Approve the donation of surplus safety equipment, listed in Attachment 1, to the CAL-DOJ, for issuance to Mexican Agencies.
2. Find this donation of surplus property will benefit the general interest and welfare of the citizens of the County and the United States, through counter-terrorism, drug interdiction, and intelligence gathering.
3. Delegate authority to the Sheriff, or his designee, to sign and execute the Release of Liability, Assumption of Risk, and Indemnification Agreement (Attachment 2) with Cal-DOJ.

PURPOSE/JUSTIFICATION OF RECOMMENDED ACTION

This equipment will be used to outfit the poorly equipped Mexican Agencies, who conduct counter-terrorism, narcotics interdiction and enforcement, intelligence

A Tradition of Service

gathering, and assist United States local, state, and federal law enforcement agencies. Currently, many Mexican Agencies lack the necessary safety equipment to fulfill their mission. Through the cooperation of Mexican Agencies, the United States local, state, and federal law enforcement agencies are able to be proactive and address issues that help safeguard the County and the United States' interests.

The Department has established strong working relationships with many Mexican Agencies. As a result, our Department is regularly requested by Mexican Agencies to assist in their training of police officers. Additionally, this donation strengthens the Department's relationship with the Mexican Agencies, by providing a direct point of contact for the Department to exchange information pertaining to criminal investigations that impact the County and facilitate travel to Mexico, which may be required for follow-up investigations.

Implementation of Strategic Plan Goals

The donation of surplus safety equipment to Cal-DOJ for issuance to the Mexican Agencies supports the County's Strategic Plan, Goal 1, Operational Effectiveness, and Goal 5, Public Safety. The donation of surplus items for the utilization by Mexican Police Agencies will provide additional support in their efforts to protect their local citizens, as well as United States citizens in Mexico.

FISCAL IMPACT/FINANCING

There will be no fiscal impact to the County budget and no financing is involved. This safety equipment has outlived its service life with the Department. CAL-DOJ will assume all responsibility for the retrieval of any donated surplus equipment, as well as the removal of any County or Department emblems and have signed the Release of Liability, Assumption of Risk, and Indemnification Agreement (Attachment 2). CAL-DOJ will also assume the costs associated with the transportation of the donated items.

FACTS AND PROVISIONS/LEGAL REQUIREMENTS

A gift of public funds is valid if the gift serves the public purpose of the donor. The gift must serve the general interests and welfare of the citizens of the County as a whole (Government Code Sections 25365, 25504). In approving this request, the Board must find that this donation benefits the interest and welfare of the County. This gift serves this purpose, as Mexican Agencies are actively protecting its local residents, apprehending fugitives from the United States, addressing counter-terrorism issues, and interdicting narcotics before they reach the County. By way of this donation, Cal-DOJ shall indemnify the County against any liability through the use of the donated items. This letter has been reviewed and approved by County Counsel as to form.
